Dear Esteemed Members,

I am honored to extend a heartfelt welcome to you all for the 3rd America-Taiwan Joint Conference 2024.

This conference would not have been possible without the unwavering support and efforts of the past presidents of the American College of Obstetricians and Gynecologists (ACOG): Dr. Jeanne Conry, Dr. Thomas Gellhaus, Dr. Verda Hicks, and Dr. Mark DeFrancesco. Their dedication has been instrumental in bringing this event to fruition.

We are privileged to have an impressive lineup of guest speakers for this year's conference. We will be joined by the President of ACOG, Dr. Stella Dantas; the President-Elect of ACOG, Dr. Steven Fleischman; Dr. Erin Bradley from Harvard Medical School; and Dr. Daniel Gomez from NOVA Southeastern Univ.

We look forward to a stimulating and enriching exchange of knowledge and ideas. Thank you for your participation and continued support.
